State Securities-Quiet. The reduction in west-bound freights by trunk line representatives yesterday had but slight effect on the share market this morning. There was a decline in prices ranging from 1/4 to 3/4 per cent. In

the general list, and 1% per cent. in Delaware and Hudson, which fell off to 67%. Before 11 o'clock there was a rally of 1/2 to 1/4 per cent., Grangers, Lake Shore and Lackawanna being most prominent. In the afternoon there was a heavy pressure brought to sell Lackawanna, and the stock broke from 85% to 88%. The sales of this stock were 78,610 shares, out of total transactions

The general list was unfavorably affected by the liquidation in Lackawanna, and declined 1/4 to 1% per cent. The market closed weak. The weakness in the afternoon was due to reports from Chicago that the Pennsylvania, Lake Shore and Michigan Central Companies had combined against the roads cutting rates to New York, and would order a severe cut early next week. Reports were also received from the West of trouble in Western trunk lines. Compared with last night, closing prices are 1/4 to 13/4 per cent. lower. Sales for week, 1,335,231 shares.

Transactions on Stock Exchange to-day aggregated 170,000 sbares, of which 77,000 were Lack-awanns, 10,000 Lake Shore, 19,000 Northwestern, 10,000 New York Central, 25,000 St. Paul, 7,000 Union Pacific, and 10,000 Western Union. GOVERNMENT SECURITIES.

# GENERAL FOREIGN NEWS.

Nothing New Has Been Heard From Stewart-The Arabs Far and Near Depressed by Stewart's Victory.

London, Jan. 24,-The War Office has just made public a dispatch received this afternoon from General Wolseley at Korti. It says he has heard nothing further from General Stewart. The reported capture of Omdurman by El Mahdi's forces. Wolseley says, lacks confirmation, and it is doubtful. General Earle's column, thoroughly pro-visioned and equipped, composed of artillery, cavalry and a camel corps, started to-day from Hamdab for Berber, the march to be made by way of Abuhamed. The enemy, which includes the entire fighting force of the Monassir tribe, under the command of Wadgamr, who ordered the murder ot Consul Stewart, and the fighting men of the other tribes less uneasines at London Exchanges; January, I under Moussa, assembled in war order at Riti, I Flora

This is thirty-five miles above Hamdab, the start-ing point of to-day's expedition. Wolseley says both Wadgamr and Moussa boast that they are determined to give battle. If so, an engagement between these chiefs and General Earle by Mondsy would seem to be inevitable. Wolseley states, however, that soldiers who so with Earle are all in the best of health and spirits. They regard Stewart's battle of last Saturday as a glorions victory, and are proud of the achievements of treir comrades, and anxious to meet the Rebels on their own account, Wolseley declares the Arabs

have been depressed by the news of Stewart's victory, and its effect has been so great and widespread that, in his opinion. It may properly be considered doubtful if Earle will meet with any serious opposition before reaching Berber. Courbet's Troops Defeated at Kee-Lung. Hone Kone, Jan 24.-Special advices state that Admiral Courbet's operations for the seizure of the mines of Kee-Lung have been thwartedlby the Chinese. The dispatches state that the French troops disembarked and attacked Kee-Lung, and were re repulsed with the loss of seventy-five men. Later news confirms the information that the re-pulse of the Frenca was due largely to the utter

It is a great anti-bilious remedy as well.
